Ref.....BCM./NOTICE/2623/2023

Date.....1/3/2023.....

NOTICE

It is a general information to all students of Barkhetri College that 75 percent class attendance is necessary to appear for Semester End Examination.

However, it is seen that though the even semester classes were started from 18th January, 2023; student's presence either in the College or in the Classes were very thin.

Under this circumstance, I fervently request to the students as well as teacher's fraternity to avoid absence from classes to avoid unwanted action from authority.
